The Painter's Pyramid® to Exhibit at 32nd Annual Richmond Home & Garden Show

RICHMOND, VA (February 27, 2008) – K & M of Virginia, Inc. today announced its flagship product, the Painter's Pyramid®, will be displayed at the 32nd Annual Richmond Home & Garden Show this weekend.

With six buildings playing host to more than 450 company exhibits, the show offers the luxury of convenient and comparative shopping for all home and garden needs under one roof. Home builders, interior decorators and landscapers are all represented.

"It is nice to exhibit the Painter's Pyramid® in our home city," said Mr. Mike Bucci, president K&M of Virginia, Inc. "Home builders and interior decorators alike will all benefit from the usefulness of the Painter's Pyramid."

The Painter's Pyramid® provides stable pinpoint support so painters can coat both sides of an object without waiting for the paint to dry. The versatility of Painter's Pyramid® enables homeowners, craftsmen, artists and hobbyists to save time and effort.

The show is being held at the Richmond Raceway Complex from February 29 – March 2nd. Admission is \$8 for adults, \$2 for children 6 to 16, and free for kids 5 and under.

Be sure to visit the Painter's Pyramid at booth No. D20.

About The Painter's Pyramid®

The Painter's Pyramid® is a three-sided pyramid made of a specially formulated, lightweight plastic that provides superior strength and adhesion resistance. Its durability allows you to paint all sides of an object without sacrificing quality or waiting for the paint to dry. Its versatility saves time and effort for a wide variety of painting and crafting needs. www.painterspyramid.com
