

Dynamic Paint Products Booth No. 34839

Dynamic Paint Products Inc. further expands its impressive and extensive product offering with the introduction of a number of new environmentally friendly alternatives to traditional paint accessories—the Enviro-series of Paintware. Dynamic will also unveil a new line of single-piece, hand-made natural merino sheepskin roller covers. Visit the booth for the company's introductory show offer.

Environmental Solutions International Booth No. 36234

Environmental Solutions International (ESI) offers WP CHOMP!®, the “world’s best wallpaper stripper.” The product penetrates in seconds and breaks down glue fast. A pH neutral product, WP CHOMP! is five times less toxic than baby shampoo. There are two versions of the product: (1) a ready-to-use format (orange label, pictured), available as a 32-ounce trigger spray or a 1-gallon container, and (2) a super concentrate (yellow label), available in a 22-ounce or 1-gallon container. For information, visit the booth or go online at www.chompsolutions.com
